ON LINE COURSES:

FCI Institute of Management is the first institute of Uttarakhand to launch on Android platform thru Google, in year 2018 our own on line education portal "fci online courses". This portal is for those students/employees working in Hospitality industry anywhere but without any professional certification and due to paucity of time and money could not pursue a regular course. The App can be downloaded and course be completed in low fees without leaving the current job thereby making candidate professionally qualified, and the career grow.

UNIFORMS:

Students are allowed in the campus and in practical only if they are in proper prescribed uniforms. Details of uniforms can be obtained at the time of admission.

GROOMING:

Grooming of students is part and parcel of this course. Special Lectures on Grooming by specialists in Marketing: Public Relations: Behavior Conduct is arranged. Institute lays tremendous emphasis on Grooming and Personality Development. Communication is the name of the Game.

EXAMINATIONS:

Apart for final examinations, the institute conducts weekly, monthly, and half yearly and surprise examinations, to check for level of understanding of students. If found necessary, extra classes are arranged to make students understand the topic in which the grasping is not up to mark. Reports are regularly sent to keep parents/ guardian apprised of their ward's progress.

PLACEMENT CELL:

We have a "Placement Cell", for the benefit of our students. Campus interviews are a regular feature. We provide careers counseling by Experienced Specialist and Professionals. Have
